Dear Business Partner:

The Mecklenburg County-South Rotary Club is involved in many projects that benefit children both locally and internationally and has been contributing to these causes for over a decade. This year with our triathlon fundraiser, we are delighted to partner with A Child's Place, our major local beneficiary and Polio Plus, our international beneficiary.

The triathlon is a terrific opportunity for you to reach over 400 health-minded people and their families and to join in making a difference in the life of one and the lives of many.

We cordially invite you to join us and participate in this worthy effort with the following choices of involvement. While supporting A Child's Place and Polio Plus, you will also create awareness of your product/business and demonstrate your interest in our community.

[Become a Sponsor or Vendor](#) by choosing any of the sponsorship levels – starting as low as \$100 – as listed on the back and receive benefits associated with your support.
